The novel coronavirus (COVID-19) has raised many questions from people affected by Crohn's or colitis, and as the health and safety of you and your loved ones is our highest priority, we're committed to doing our very best to support you.

As our knowledge of COVID-19 and IBD is rapidly evolving, we encourage you to join us at our weekly webinars about IBD & COVID-19, where we have a panel of experts to discuss the latest information as it relates to IBD and COVID-19.

These free webinars are suitable for individuals living with Crohn's or colitis, caregivers, healthcare providers or those looking for additional information.
