

# GUIDANCE for those with IBD DURING COVID-19.

SCAN ME

The novel coronavirus (COVID-19) has raised many questions from people affected by Crohn's or colitis, and as the health and safety of you and your loved ones is our highest

priority, Crohn's and Colitis Canada is committed to doing our very best to ensure that IBD patients remain informed during the COVID-19 pandemic.

Each week we are disseminating new information about COVID-19 as it relates to IBD, based on the input of our COVID-19 IBD Task Force.

Stay up-to-date  
with the latest  
information by:

- Registering for our weekly COVID-19 & IBD webinars
- Visiting the COVID-19 & IBD section of our website
- Subscribing to our weekly Talk About Guts newsletter
- Following us on social media
