

Virtual Camp Got2Go Counsellor Role

Crohn's and Colitis Canada promises to find the cure for Crohn's disease and ulcerative colitis and improve the lives of children and adults affected by these chronic diseases. Volunteers are key team members who help us deliver on this promise to every Canadian who is impacted by these devastating chronic diseases.

Are you the right fit to join our team as a counsellor?

As the counsellor, your responsibilities include;

- Creating a supportive, fun and safe community for the campers
- Leading and supporting campers as they participate in age-appropriate activities
- Monitoring campers to ensure compliance with camp rules and prevent accidents
- Participate in the activities with campers, supervise their campers, and assist their campers as needed
- Working with the camp management staff to create the best possible experience for campers
- Maintaining a positive, solution focused attitude
- **Volunteers must be a minimum age of 18 to join us.**

Location: via Zoom

Time Commitment:

- Available for the duration of camp (August 9th to 13th)
- One evening leading up to the weekend for volunteer training

What you bring:

- Past experience working in a camp setting is considered an asset
- Experience working with children and youth and/or in a camp setting is an asset
- An understanding of Crohn's disease and ulcerative colitis considered an asset
- Strong communication skills

What we offer:

- A community of support, a dedicated staff partner, team of peers and role-specific training
- An opportunity to use and grow professional skills, expand your network
- A hands-on chance to make a meaningful difference in the lives of children and youth living with Crohn's and ulcerative colitis in your community
