Our Promise

To cure Crohn's disease and ulcerative colitis and improve the lives of children and adults affected by these chronic diseases.

2020 VISION:

Crohn's and Colitis Canada is a global force advancing transformational research and activating our community to improve the lives of people affected by Crohn's and colitis in Canada.

Crohn's and Colitis Canada

Thanks to our strong community of supporters, Crohn's and Colitis Canada is the world's **second largest health charity funder** of Crohn's and colitis research, investing over \$130 million in research to date.
