Canada Future Directions in IBD

0.1 Pace Turns 4: Highlights and Accomplishments

1. Identify a question, idea or controversy you would like to answer or address:

2. Identify a stimulus for the above:

3. Define how you will approach the problem (resources or references):

4. Report the learning outcome(s). How will this impact your clinical practice, expertise or current knowledge base?

5. Record the number of hours: _____

SATURDAY, November 7, 2020

Canada Future Directions in IBD

Session I: GEM Update and How It Will Affect Practice

- 1.1 Genetics, Environmental and Microbial (GEM) Project Update
- 1.2 Diet and IBD
- 1.3 Junior Investigator - Association of Processed Food Intake with Risk of Inflammatory Bowel Disease: Results from the Prospective Urban Rural Epidemiology (PURE) Study

1. Identify a question, idea or controversy you would like to answer or address:

2. Identify a stimulus for the above:

3. Define how you will approach the problem (resources or references):

4. Report the learning outcome(s). How will this impact your clinical practice, expertise or current knowledge base?

5. Record the number of hours: _____

Canada Future Directions in IBD

Session II: IMAGINE Update and How It Will Affect Practice

- 2.1 Inflammation, Microbiome, and Alimentation: Gastro-Intestinal and Neuropsychiatric Effects (IMAGINE) Update
- 2.2 Strategy for Patient Oriented Research (SPOR) Update
- 2.3 Rising Star - The Microbiome, Chronic Abdominal Pain and IBD

1. Identify a question, idea or controversy you would like to answer or address:

2. Identify a stimulus for the above:

3. Define how you will approach the problem (resources or references):

4. Report the learning outcome(s). How will this impact your clinical practice, expertise or current knowledge base?

5. Record the number of hours: _____

SATURDAY, November 7, 2020

Canada Future Directions in IBD

Session III: Workshops – Hot Topics from Bench to Clinic to Policy

- 3.1 IBD: Pandemics, Practice and Policy
- 3.2 Microbiome
- 3.3 IBD Research in the COVID-19 World
- 3.4 New Era, New Science, New Antibodies
- 3.5 How Patients Make Decisions Regarding Therapy

1. Identify a question, idea or controversy you would like to answer or address:

2. Identify a stimulus for the above:

3. Define how you will approach the problem (resources or references):

4. Report the learning outcome(s). How will this impact your clinical practice, expertise or current knowledge base?

5. Record the number of hours: _____
