Washroom Access Alert

Please help

I live with a **chronic medical condition** that requires urgent and immediate use of the washroom. Your understanding and support are appreciated.

Thank you.

Our Promise

To find the cures to Crohn's disease and ulcerative colitis and to improve the quality of life of everyone affected by these diseases.

GoHere is a program initiated by Crohn's and Colitis Canada to improve washroom access and make our communities more inclusive. go-here.ca
